Re: Case #933 - [REDACTED]

Dale Palmer, D.O.
6040 N. 43rd Ave.
Glendale, Arizona 85301

Dear Dr. Palmer:

As you know, based on the information adduced during your informal interview before the Board of Osteopathic Examiners on Friday, April 21, 1989, the Board duly voted to issue you a Decree of Censure for failing to keep records on this patient, for prescribing, dispensing and/or administering prescription only drugs for other than therapeutic purposes, and for endangering the health of this patient due to your inability to refuse her the drugs she desired. The Stipulated Order restricting you from treating this patient remains in effect.

A Decree of Censure means a formal written reprimand for a violation of the Arizona Osteopathic Practice Act and constitutes an official action against your license but does not limit your practice in any way.

If you have any questions about this action, please feel free to call me.

Sincerely,

Mary L. Tucker
Executive Director
